## Start planning now for InfoComm 2019!

Future US, publishers of Systems Contractor News, Sound & Video Contractor, AV Technology, and Digital Signage will again be publishing the InfoComm Show Daily. The InfoComm Show Daily will be a three-day, on-site newspaper, complete with overnight news from the convention floor covering the entire scope of activities—from events at the booths to the many demonstrations, seminars and educational workshops.

The VIP Edition of the Show Daily will be mailed in late-May and will contain comprehensive pre-show product news as well as information vital to attendees planning their visits to Orlando. InfoComm opens June 8 and runs through June 14.

## The InfoComm Show Daily and VIP Edition will provide complete coverage of:

- Late-breaking pre-show industry news and news direct from the show floor
- InfoComm new product announcements
- Interviews and commentary from the show floor
- Installation market industry trends and analysis
- Complete exhibitor directory and show floor map
- Index of all workshops, seminars, educational and show events

There is no better environment than the InfoComm Show Daily and VIP Edition to announce your company's new products, show news, or recent installations than in the newspaper everyone will be reading at InfoComm 2019. The InfoComm Show Daily offers the best environment to create excitement and build booth traffic at InfoComm 2019.
